

DIRECTIONS FOR USE

1. Add one litre of water to the spray tank and dispense the correct amount of product from this pack.
2. Add the remaining quantity of water, close the sprayer and shake to mix the contents then pressurise the sprayer.
3. Apply as a coarse low pressure spray at a rate of one litre of product for each 20 square metres of surface. Repeat application as necessary.

Target Pest	Product for 5 litres spray	APPLY AS A LOW PRESSURE SPRAY
Crawling insects	60 ml	Apply the spray around and behind fixtures and fittings or as a 'barrier' treatment around doors and windows.
Litter beetles	60 ml	Apply to horizontal and vertical surfaces and to cracks and crevices. For maximum control, apply a one metre 'band spray' IMMEDIATELY after removal of the poultry. Re-apply as a full surface spray AFTER disinfection and BEFORE introduction of the new crop of birds.
Red mites, ticks and lice	60 ml	Apply to horizontal and vertical surfaces and to cracks and crevices, posts and pillars or wherever these pests are seen to accumulate.
'Resting' Flying pests	60 ml	Apply to areas and surfaces where flying pests are seen to rest. This product must not be used against houseflies in intensive or controlled environment animal houses because it is likely to cause control failure due to insecticide resistance.

Risk of serious damage to eyes. Very toxic to aquatic organisms, may cause long-term adverse effects in the aquatic environment. Keep out of reach of children. When using do not eat or drink. Avoid contact with eyes or skin. In case of contact with eyes, rinse immediately with plenty of water and seek medical advice. After contact with skin, take off immediately all contaminated clothing, and wash immediately with plenty of soap and water. Wear suitable protective clothing, gloves and eye/face protection. Use appropriate container to avoid environmental contamination. Avoid release to the environment. Refer to special instructions/safety data sheets. If swallowed, do not induce vomiting; seek medical advice immediately and show this container or label. To avoid risks to man and the environment, comply with the instructions for use.

STATUTORY CONDITIONS RELATING TO USE FOR USE BY PROFESSIONAL OPERATORS.

The (COSHH) Control of Substances Hazardous to Health Regulations 2002 may apply to the use of this product at work. Maximum Dose, **60 ml per 5 litres water per 100 square metres** sprayable surface. Engineering control of operator exposure must be used where reasonably practicable in addition to the following items of personal protective equipment. WEAR SUITABLE PROTECTIVE CLOTHING (COVERALLS) AND SYNTHETIC RUBBER/PVC GLOVES when using plus EYE PROTECTION when diluting. AVOID EXCESSIVE CONTAMINATION OF COVERALLS AND LAUNDER REGULARLY. DO NOT BREATHE THE SPRAY MIST. Otherwise wear respiratory protective equipment and eye protection (see HSE Guidance Booklet HS (G) 53: "Respiratory Protective Equipment - a practical guide for users"). However, engineering controls may replace personal protective equipment if a COSHH assessment shows that they provide an equal or higher standard of protection. DO NOT CONTAMINATE FOODSTUFFS, EATING UTENSILS OR FOOD CONTACT SURFACES. COVER WATER STORAGE TANKS before application. THIS MATERIAL AND ITS CONTAINER must be disposed of in a safe way. WHEN USING, DO NOT EAT, DRINK OR SMOKE. EXCLUDE ALL PERSONS AND ANIMALS DURING TREATMENT. DO NOT APPLY DIRECTLY TO ANIMALS. EXTREMELY DANGEROUS TO FISH AND OTHER AQUATIC LIFE. REMOVE OR COVER FISH TANKS AND BOWLS before application. DO NOT CONTAMINATE watercourses. DANGEROUS TO BEES. DO NOT APPLY DIRECTLY TO LIVESTOCK AND POULTRY. READ ALL PRECAUTIONS BEFORE USE.

HSE No. 7689

This product is approved under The Control of Pesticides Regulations 1986 (as amended) for use as directed. Use only in accordance with the directions on the label.

PRECAUTIONS

WASH SPLASHES from skin or eyes immediately. WASH HANDS AND EXPOSED SKIN before meals and after use. KEEP IN ORIGINAL CONTAINER, tightly closed, in a safe place. KEEP OUT OF REACH OF CHILDREN. COLLECT EGGS AND REMOVE FEED, EXPOSED WATER AND MILK BEFORE APPLICATION.
